John "Moose" Kelly

Henry Thatcher

The Photography Group meets every other month on the third Friday from 9 AM until 11 AM at Thurman Casey Library in Walnut Creek. Our meetings are usually attended by roughly 12 members including spouses and significant others. The group is open to local SIR branch members to attend.

Attendees are invited to bring a thumb drive with photos or movies that they would like to share with the group. We also occasionally have tutorials or video blogs on some aspects of photography or new camera technology. If you are not on the photography list and would like to join us in future meetings, contact
