Big Sir's Notes

The Officers for 2008 will be elected by the membership at the August 9th Luncheon Meeting. The slate was published in the July SIR Call. The Officers elected will be inducted at the December Ladies Day Luncheon and will take office on January 1, 2008.

August 9th is Wild Shirt day. Be sure to wear your wildest shirt. We'll be looking for the wildest of the wild.

For disaster preparedness we will conduct an evacuation drill at the September luncheon. **Dennis Hallett** will provide details and lead us through it.

We're starting a new activity. It is "Explore and Dine." These are planned to be half day outings. Visit a site of interest in the morning and then have lunch. The first will be the Blackhawk Auto Museum on Thursday August 23rd. **John Pearl** will lead this outing. Please see details under **Bob Spellman's** travel report in this SIR Call.

Beginning on August 9th Blakes will provide 2 bartenders. This should reduce the time in line to get a drink before the luncheon. After getting your drink please move away from the bar area in order to reduce congestion.

Remember to bring a guest to lunch. Think about sponsoring a new member. Applications are being accepted at all times. There are less than ten on the waiting list, therefore the wait time will be just a few months

Area 2 Computers and Technology Group

PHIL GOFF, Chairman, 831-3692, philgoff@yahoo.com
DICK CURRY, Asst. Chairman, 376-5541,
racorinda@pacbell.net

Meetings of the Area 2 Computer and Technology Group are held the 3rd Thursday of each month (except June and December) from 9:30 to 11:30 a.m., at the Social Hall of the Walnut Creek United Methodist Church, 1543 Sunnyvale Ave. (off N. Main, one block north of the Treat/Geary/N. Main intersection).

Special Note: Beginning in August, the Computers and Technology Group will meet at the Walnut Creek Elks Lodge at 9:00a.m. See details below.

Thursday, August 16 – Phil Goff will tell why iPods are so popular. We all know that young people all seem to have or want an iPod. What is it about them that makes them a worldwide phenomenon? It's a lot more than just listening to music. Phil will review their primary uses and applications such as:

- Downloading, storing and playing music
- Storing pictures and playing slideshows on TV
- Storing and playing videos – both your own and commercial movies

- Storing and displaying notes and text
- Using as a hard drive to store any type of computer file
- Downloading and playing audio books and Podcasts

The functionality of iPods is far greater than you might think. Even if you don't own or plan to buy an iPod, you will want to understand why they have become so popular and are facilitating new forms of communication.

Following Phil's presentation, Dick Curry will lead an informative Computer Q&A session.

Come join us and spend some time learning and talking about your computer usage.

Whether you are a beginner or a seasoned user, we try to offer something for everyone. We serve coffee and pastries and all SIR members and their guests are welcome.

Meetings of the Area 2 Computer and Technology Group are held the 3rd Thursday of each month (except June and December) from 9:00 to 11:00 a.m., at the Walnut Creek Elks Lodge, 1475 Creekside Drive (just off South Main.)

Wine Tasting ... Dale Haukland

Calling all who want to participate in a Lazy Days of Summer wine tasting at the Museum of the San Ramon Valley and also see the Quilt exhibit. **Monday, August 27** from 2-5 p.m. at the Museum of the San Ramon Valley on the corner of Rail Road Avenue and Prospect in Danville. Bring a white blend or a red Rhone or Bordeaux style wine for under \$20. **No Two Buck Chuck.** Please RSVP to Dale at 925-820-0189 by August 23.

In June the wine group imbibed and dined at Hawley Winery while listening to the tales and facts of the wine business and organic farming of John Hawley, the award winning wine maker and father of Hawley Winery. Paul and Austin, his sons, poured the wine and added some additional comments. From Hawley Winery we went to Rosenblum's tasting room in Healdsburg for some more tasting and information. We also spent a leisurely two hours roaming the Healdsburg Square, either eating, tasting more wine or coffees, shopping or gallery gazing. Watch for more fun filled wine excursions in the fall.

Cooking

Dave Johnson

1st Monday at various members' homes.

Our July meeting was held at the estate of Sheriff **Frank Mandic**, who is running again this year in a vain attempt to stay ahead of numerous collection agencies and process servers. In a burst of patriotic fervor, he served an All-American menu of fried chicken, his special potato salad (real potatoes), marinated carrots and a magnificent tossed green salad with his own secret salad dressing. He concluded the meal with a delicate scoop of swirled sherbet floated in a generous amount of crème de menthe. All courses were accompanied with either red or white mouthwash to cleanse our palates. Another great job, Frank..

Next month's meeting will be at Casa Hungerford.

Cheers,

Dave Johnson

Dave Munson, Chairman, Area 2, \$ums In Retirement Investment Group

Since I will be away on July 25 the attached economic/financial report is being sent out now. There will be plenty of news between now and then as we are just entering the 2nd quarter earnings results. **Ben Smith** will be chairing the meeting in my place.

The speaker for the meeting will be Mr. Jason Browne, Principal & Portfolio Manager, DAL Investment Co., LLC of San Francisco. His firm publishes the No Load FundX Newsletter since 1976. They employ a proprietary technique called Upgrading Strategy using mutual funds and ETF's to actively manage private accounts. The Hulbert Financial Digest currently ranks No Load FundX #1 of all investment newsletters for the past 15 and 25 years based on risk-adjusted performance.

I have heard DAL's presentation a few times and I think everyone will find it very informative.

Looking ahead to our August meeting we will have Mr. **John Hutchinson** of Stone & Youngberg speak to us on the fixed income market. John is well versed in this area and should give us all a good presentation on bonds and how to use them in a portfolio.

In September we will have Mr. **Bud Leedom**, Publisher, California Stock Report. It is a monthly newsletter covering publicly traded companies exclusively in California though focusing on four main geographical areas: San Francisco/Bay Area, Los Angeles, Silicon Valley and San Diego covering more than 500 companies.

See you all in August!

Cheers,

Dave Munson, Chairman, Area 2, \$ums In Retirement Investment Group

Don Nunn

We are approaching the 19th bi-annual dinner dance.

It is set for Wednesday, October 3rd.

It seems early, but we sell out soon.

Dust off your dancing shoes, put on a comfortable outfit and come over for the best cocktail party and dance this year!

We are hoping that you new members will bring your bride to our gala event. We hope some of you bashful gents come out and enjoy the cocktails, food and fellowship.

Any questions? Call **Don Nunn** 934-5214

Poker Club #2 **Al Zamolo**

Ron Binder hosted our June session and Big Sir **Jim Stedman** was the biggest winner ever in our group.

Al Zamolo also had a good winning day.

Our July session will be at **Doug Cook's** on Monday, July 30th at 1:00 p.m.

Poker Club #3 **Ron Plachy**

At our July game:

Joe Barry came out like gang-busters having the low Spade in-the-hole 3Xs in a row and pushing it each time with quarter raises! However, Joe faded in the long run.

Don Nunn came on strong in the finish and went home the big winner. No one would ever believe he wasn't bluffing... Playing 5-card Showdown for the final loose change (actually about \$6) saw **Mike Varner** get a Spade Flush! (I have to improve my dealing skill!)

Poker Club #4 **Chuck Bobinecz**

Poker Club #4 will meet on July 23rd. The meeting will be hosted by Sir **Bob Mehus**. Sir **Rich Hanford** will host our August 27th meeting. A good turn out is expected, unless a well known past big sir continues his winning ways.
