

WE ARE SIR – MAKE FRIENDS FOR LIFE

## Big Sir's Notes

**Bruce Borgman**

As the year draws to a close, and my term as Big Sir comes to an end, I am grateful for the great team we have had on the Executive Committee. I also wish to thank other Sirs who took on additional responsibilities and the hardworking members who chaired activities. It has been a year of growth of our Branch with many guests and new members. We have had interesting speakers at our luncheons thanks to **Jonathan's** efforts.

Past Big Sir **Alan Elnick** did the honors in installing the Officers and Directors for 2019 – it is an august group and I have no doubt that they will lead us to another successful year.

Thanks to the diligence of our treasurer, **Steve Ybarra**, our finances are in good shape and we are able to maintain the annual dues at \$15 as we had last year. The annual dues letter will be sent out soon. Please be sure to submit your payment by the end of the year, and consider paying an annual amount which includes the cost of luncheons.

Our November meeting of honoring our Veterans was a poignant event with a slide show of all Veterans, which **Walt Busenius, Bill Holly** and **Charlie Koeber** put together, and a rendition of the services hymns by the SongSirs. Our speaker was one of the most interesting of the year – Dr. James Van Hoften, an engineer, professor, decorated pilot, and astronaut; his descriptions of “space walks” were fascinating.

We welcomed one new member in November, **Mike Roach** who was sponsored by **Bob Lyman**. In addition, we had six guests. The SIR State Board has approved a number of changes to SIR rules and regulations, notably some of which will give greater autonomy to branches for determining membership rules. The BEC has appointed a committee consisting of Sirs **Korfhage, Hatcher, Melrose, Pierce** and **Ybarra** to review the changes and recommend the rules that we will adopt for our branch.

## SIR Mission Statement

The Mission of SIR is to improve the lives of our members through fun activities and events – while making friends for life

*(Continued from page 1)*

At the November luncheon we also honored two of our members. **Paul Dubow** was presented with a Branch Certificate of Appreciation and **Ken Kratz** was presented with a Senior SIR award for achieving ninety years of age!

One of the suggestions made by the SIR Task Force on the Future of SIR was that we encourage physical fitness in our membership. Recently, **Joe Fuchs** surveyed a number of local fitness gyms with respect to their facilities, and asked if any would give reduced rates to our membership. One of them, Crunch Fitness in the Orchards Shopping Center will offer a reduced rate of \$40 per month if we have five new members participate, and \$30 if we get ten or more, as well as other benefits. If you are interested, please let me know by email and we will investigate further.

You will find the announcement of the annual Ladies Day Luncheon on page three of this SIR CALL. Be sure to send in your reservation asap since we will no doubt reach our capacity sooner because of our increased membership. **Jonathan** has arranged for the Monte Vista Chorale to entertain us at the luncheon.

Our hearts go out to all those affected by the disastrous wildfire and we are particularly concerned about our fellow Sirs in that area since there are two Branches based in Chico. Some have asked what we can do to help. While our branch as a social organization does not have a mechanism to respond to disasters and those affected by them, we encourage you as individuals to donate money or other needs through the Red Cross, Salvation Army, or some of the non-profit organizations in the Chico area. Finally, I want to again thank all of you for your support during my tenure as Big Sir – it has been a satisfying and rewarding experience which could not have been done without your encouragement. Best wishes to all for a wonderful holiday season.

### Little Sir's Corner

**Jonathan Korfhage**

Our performers at our Ladies Day Holiday Luncheon this month are from Monte Vista High School. They are a double quartet of well-trained young men and women who are a part of a larger group which consistently places first in state choral competitions. They are looking forward to their debut at Carnegie Hall in February.

At this Christmastime I am looking forward to becoming your leader of this fellowship of Sirs who have the spirit of friendship and fun at our many activities. We all have this common value of brotherhood and respect for togetherness. In my best interest for you, I challenge you this season to reach out with a small anonymous passing gesture of kindness to someone who might be in need of such a gesture. It's never too late to start a new tradition!

Best wishes for your Holiday Season! Reflect on Joy!

### Membership

**Dave Pierce**

In November we inducted **Mike Roach**. Regrettably, **Pat Lucia** died November 7<sup>th</sup>, and **Paul Fama** has resigned effective December 31<sup>st</sup>. Pending any further changes, that would bring us to 299 active members at year end. We exceeded our goals for new members (30) and guests (50) by four, in each case, so it has been a very good year. I want to especially thank all the sponsors of those 34 new members. I hope the rest of you will look for those yellow badges and try to make a new friend.

## SongSirs

**Bruce Borgman**

The SongSirs continued to practice in November for performances which were scheduled this month. One of our regular performances is always to sing the service hymns at the November Luncheon where we honor our veterans. This time was again a memorable occasion since we have a number of our singers who are also veterans. As we sing the hymns we ask those who served in that branch to stand. We had a good group of our singers participate and, from all accounts, we did a credible job to honor our veterans with these renditions.

We had also been asked to sing at the Sunrise Senior Living Facility on Ygnacio Valley Blvd on the actual Veteran’s Day – November 12<sup>th</sup>. We had planned to sing the service songs and also a number of other patriotic songs such as “You’re a Grand Old Flag”, “This Land is Your Land”, “America the Beautiful” and, of course “God Bless America”. Because I had a conflict with another activity, **Peter Plante** directed the group – thank you **Peter!** **Paul Beretz** composed a narrative, which he delivered at the performance. There were approximately 25 to 35 in the audience and reports were that it was very much appreciated.

We skipped our regular practice before Thanksgiving and will start again on the first and third Wednesday of December. We will no doubt enjoy singing some Christmas carols and we will see if we can fit in another performance. We do have a request from a Ladies Activities group in Rossmoor to sing at their annual meeting on Jan 21<sup>st</sup> and we are considering that performance.

As always, we encourage anyone who likes to sing to join us when we practice the first and third Wednesday at 1:30 pm at Walnut Creek Presbyterian Church.

## AREA 16 Fishing Report

**Paul Dubow**

Our winter fishing season has begun and we are off to great crab and rainbow trout fishing. **Reggie Fromm** of Branch 146, along with **Ray Pixton, Bob Stein, Phil Scimonelli, Bob Hilaker, Alex Go, Thom Watkins, Ken Konzak, and Carl Moyer** all caught early limits of trout at San Pablo Reservoir and still made it home in time for an afternoon nap. San Pablo is now closed for its annual three-month hiatus, so we will turn our attention to Shadow Cliffs Reservoir in the coming months. However, **Stan Wong** decided to try Lake Berryessa and came home with good sized trout from several trips.

In the crab department, **Rich Fiscina** of Branch 146 and **Pedro Contreras** hosted several outings on their boats, notwithstanding that they had to endure a bumpy ocean on almost every trip. Nevertheless, most of the trips produced limits. Their fellow crustacean hunters included **Pete Gates** and **Brion Beetz** of Branch 146 plus **Raleigh Davis, Ken Fischer, Steve Paulick, Thom Watkins, and Bob Hilaker.**

Crab and rainbows were not the only delicacies that our group brought home. **Ron Lew** of Branch 146, as well as **Tom Kostik, Mike Corker, Terry Miller, Joe Miscione, Stan Wong, and Mario Moratorio** all caught stripers in the Delta. **Ernie Wong** and **Ken Konzak** fly fished from ladders in Pyramid Lake, Nevada, and caught a bevy of cutthroat trout. **Ron Lew** caught yellow fin tuna up to 30 lbs. on a long-range trip out of San Diego. And, last but not least, thirty of us enjoyed ourselves at **Carl Moyer's** semi annual fish fry and ate their fill of rockfish, ling cod, salad, along with **Marcia Moyer's** tartar sauce and brownies and smoked salmon hors d'oeuvres supplied by **Ron Lew.**

We normally meet on the fourth Thursday of each month. However, because of the holidays, our next meeting will be on the third Thursday, December 20<sup>th</sup>. The meeting is at the Legend Sports Bar and Grill at the Diablo Creek Golf Course, 4050 Port Chicago Highway in Concord. The meeting begins at 8:30 am, but please join us for breakfast, beginning at 7:30.

## Theatre Group Gary Schaub

### ***IT'S MAGIC TIME FOR THE NEXT SIR 146 THEATER PARTY! APRIL 5<sup>th</sup>***

Now for something completely different! During the past ten years, SIR146 has sponsored over thirty theater parties – usually stage musicals, comedies and dramas. For the next SIR Theater Party we're going to try something different – a Dinner Theater with live Magic Show!

SIR146 members and guests have been invited to attend the California Magic Club in downtown Martinez for an evening of prestidigitation and gourmet dining. Reservations have been made for Friday, April 5<sup>th</sup>, beginning at 7:15 pm. Deadline to reserve is January 30<sup>th</sup>.

The California Magic Club provides an evening of good food, witty conversation and spellbinding entertainment. It's like a big private dinner party. The Club seats only forty guests. The magical evening begins as soon as you arrive, and the fun begins! You'll enjoy a three course dinner and signature drinks with close up magic performed right at your table. After dessert, you'll be amazed by an hour-long stage show featuring a popular professional magician – welcomed by your host Gerry Griffin.

The California Magic Club has been presenting magical entertainment for 14 years. Dinner features a tasty fresh green salad, roasted tri-tip beef and marinated boneless breast of chicken with seasonal vegetables and herb rice. Chocolate covered strawberries and tasty bite-sized treats complete the meal. A pasta vegetarian option is available. Beer and wine is also available.

Then the stage show begins. The California Magic Club is located at 514 Main Street at Alhambra Avenue in downtown Martinez. Street parking is available. Guests must arrive no later than 7:15 p.m.

Since the California Magic Club seats only forty patrons, they have set aside twenty for our SIR group on April 5<sup>th</sup>. Early reservations are essential – no later than January 30<sup>th</sup>. A special group rate for SIR 146 is \$69.00 per person which includes dinner and show. Send your check, payable to SIR146, to **Gary Schaub**, 1400 Canyonwood Court, #8, Walnut Creek 94595. For additional info, call Gary at (925) 938-5454, or e-mail to [gschaub1@gmail.com](mailto:gschaub1@gmail.com).

## Photography Group

**Richard Hockenbrock**

We have a jam-packed meeting for you in January. Highlighting our event will be Jerry Kaplan and his wife Susan who will show us pictures and video from their recent Road Scholar trip to China.

Following a request from some of our newer members, we will be presenting and highlighting comparisons on some of the important features to consider when buying a smartphone, a point and shoot camera, or an enthusiast camera covering different price ranges. This will be an interactive session so bring your questions for a lively discussion.

As is customary, we invite all attendees to bring a USB thumb drive with pictures to share with the group.

You Tube has a number of videos reviewing the new iPhone XS and XS Max from a photography perspective. We will show one of these reviews.

Although the last meeting was well attended, there is always room for more to come and enjoy the show!

We had a big turnout for our November meeting on Wednesday, November 28<sup>th</sup>, with nine attendees.

We welcomed a new member, **Jim Nelson**, to our group, and noted that **Paul Dubow** has returned to the fold.

Our honorable Co-Chair **Ron Afdal** took first place, winning all his games! Second place went to **Kirk McVean** of Branch 116. **Paul Dubow** marked his return with a third place finish. Our host, **Barney Meade**, came in fourth.

## Biographies

### Paul Dubow

Our program to post members' biographies on our website is going very well. We currently have 220 bios posted. That means that there are about eighty of you whose bios are not posted. Virtually all of the members whose bios are not posted became members before the program began about five years ago.

It would be nice if the bios that are posted included more senior members. If you would like to post a bio, please send me an email at [pdubow2398@aol.com](mailto:pdubow2398@aol.com) and I will send you the form that I use to prepare the bios. Once I receive the completed form, I will prepare a draft bio and send it to you for review, at which point you can make any changes to it that you desire. Alternatively, you can prepare a bio without using the form, send it to me, and I will see that it is posted.

Some members who decline to have their bios posted have expressed concern about hackers invading their privacy. However, while the bios do contain your life story, we don't publish social security numbers, phone numbers, and other information that is essentially private. The information that appears in the bios is probably known to the world already except for those of you who never use the internet.

*Branch 146 Sirs (some with their spouses) are now regularly playing this exciting and active game at the Activity and Recreation Center (ARC) of the San Ramon Valley United Methodist Church. ## Activities Coordinator

Jerry Kaplan

### CALLING NEW MEMBERS (and those who have been around for a while!)

As 2018 draws to a close, I hope that everyone who participated in one of the 47 different current activities or was involved in a new activity that was started during the

year felt that the experience was a good one.

If you are a new member or haven't had the time to look into taking part in one or more of the activities, please consider doing so in 2019! And – **don't forget** – if you have some hobby or interest that you want to share with others, and you don't see that it is available, feel free to contact me and I'll see what I can do to make the almost 300 members of Branch 146 aware of the idea. There is a strong likelihood that others may be interested. It only takes a few fellows to get an activity going.

### NEW ACTIVITIES

We have a new **HEARTS CARD GAME ACTIVITY** chaired by **SIR Bob West** that has recently begun. The date, time and place are being established. If you are an old Hearts player or want to learn the game and get together occasionally to play with some of your fellow Sirs, call or write **Bob** at 518-8472, or [robtawest@aol.com](mailto:robtawest@aol.com). Several members are also interested in starting a **DIXIELAND JAZZ BAND ENSEMBLE** and **A WEEKDAY OR WEEKEND RECREATIONAL CYCLING GROUP**. Contact me or see earlier SIR CALL newsletters for whom to call. I will be contacting other SIR branches in the area to see if others may be interested in starting a co-branch activity.

### APPRECIATION BREAKFAST MEETING FOR ALL ACTIVITY CHAIRS March 1st, 2019

The Branch Executive Committee (BEC) has authorized and appropriated funds to sponsor the second annual Breakfast meeting to recognize the efforts that you, as a volunteer chair of one of 47 different activities, put in throughout the year. **The breakfast and follow up meeting will be held on Friday morning March 1<sup>st</sup>.** The breakfast will be served at 8:00 am with the meeting adjourning by 11:15.

The meeting held earlier this year in March provided an opportunity for activity chairs (both new ones and those who have been chairs for years) to get together and discuss their thoughts and exchange ideas about how their activity is working. Discussions centered on suggestions for possible improvements, insurance issues, the possible need for a backup chair, using the Branch website and calendar, etc. A similar agenda will be followed this year, but other topics suggested by you can be discussed.

**I will be sending out an invitation and a request for an RSVP to the chairs in a week or so but if you can, hold that date in March open on your calendar.** The breakfast is primarily an opportunity for the Branch 146 leadership (which many of you have served on already) to show their appreciation for you stepping forward to manage an activity.

## Couples Dining Out

### Bruce Borgman

Our November dining experience was a success but, again, we realized that we sacrifice some convenience by going as a large group. We dined at Le Cheval in Walnut Creek - a popular restaurant with Vietnamese cuisine and excellent food. The entrees were a good variety of noodles, beef steak, coconut milk prawns and lemongrass chicken. We had their signature shrimp rolls and calamari for appetizers. We started even before 5:30 with our cocktail and social hour – and therein lies the rub. We had a total of 58 diners and that number overwhelmed the bar. We did have good pricing for the house wines and a reduced rate of \$10 for our corkage but, at times, the wait to get a specialty cocktail was longer than we liked. Even though all were good humored and chatted in the line waiting at the bar, it is an issue that we will address in next year’s restaurant selections. Fortunately, the owner assisted in pouring the house wines and often did not charge us, and many, if not all, were not charged the corkage. This did not deter our amiable group of diners from thoroughly enjoying the dinner and one another’s company, and all was well in the final analysis.

Since Couples Dining Out has become so popular, we are planning to stretch our activity over two evenings. Thankfully, **Jim Barry** and **Joyce Wells** have agreed to host the second evening. We have not decided on a date for our next January event, but the working plan is to find a restaurant where we can have up to 30 diners on one evening, and a second set of 30 diners on the second evening. **Jim** and **Joyce** will host the second evening and assist in greeting the diners and in distributing and collecting nametags. Having a smaller crowd on each evening will allow us to consider smaller restaurants. We are exploring restaurants already and always anxious to hear of your dining experience, especially with new or unusual cuisines.

We wish all of you a wonderful holiday season. Don’t forget to check out those restaurants!

# Mexican Train Dominoes Groups

## Mexican Train Dominoes Group 1 (UNO)

**Jerry Kaplan**

The Group One players met on November 9<sup>th</sup> for another fun Game Night at the Walnut Creek home of **SIR Richard Hockenbrock** and his wife, **Sherry**. The hosts

provided several delicious treats that were enjoyed by all.

Four Guests helped make up a full complement of 18 players - **SIR Jeff Baily** and his wife **Alicia** as well as **SIR John Moose Kelly** and his wife, **Mary Schmidt**. Everyone at the three tables tried their luck at choosing the winning tiles.

**Marie Ascatigno**, wife of **SIR Frank** easily beat everyone and ran off with the top prize of \$21.00 with a very low average of only 9.9 points left after playing 11 games. **Frank** kept the winnings in the Ascatigno family, taking second place with a score of 19.8, exactly twice Marie's score, but good enough to win \$11. Third place was grabbed by **SIR Rob Melrose**, with a score of 21.1, winning \$4.

November was the last Game Night of the 2018 second half season and the \$98 collected from the six months was divided up among the best players during the period. The **Ascatignos** were at it again, with **Frank** winning \$59 for an overall average of 17.9 after playing 41 games. Spouse **Marie** had a good enough average to take third place, averaging 21.6 worth \$10. **Sue Oranje**, wife of **SIR Corrie**, took the second place pot worth \$29 with an average of 20.7.

We start play again in the New Year rotating among the different players hosting the group. There is always room for more players who want to be on a substitute list as an occasional player either in this group or one of the other five Mexican Train Dominoes groups. Please reach out to one of the groups to join the fun. The game is entertaining to play and easy to learn! Single Sirs as well as a SIR member and his Significant Other are always welcome.

## Mexican Train Dominoes Group 2 (DOS)

**Dick Woodman**

**Janice** and **Dick** missed the game night on October 26<sup>th</sup> at **Ron** and **Anne Plachy's** because they were traveling. They are sorry to have missed the evening with the

other players because it sounded like a great night. The carrot cake was particularly outstanding that evening. Not only was it fantastic but it was plentiful as well. **Anne** was kind enough to provide take home portions. A lot of other people were distracted for many reasons that night as well. Only 13 showed up for dominoes but the competition was ever present as usual.

The winners include **Ismeni** with a score of 12.1 average points per game. Second place went to **Rich** with a score of 14.1 and third place went to **Nancy** with a score of 14.8. Congratulations to all our winners! Notice that the prizes go down in proportion to the number of people playing. One of the interesting facts from this game night is that all three tables played 11 games each. Normally the number of games is all over the place among the tables.

Our next game night on November 30<sup>th</sup> at **Jim** and **Phyllis Meehan's** home will be reported in the January 2019 SIR CALL. Here is hoping that you all had a very special celebration on Thanksgiving Day!

It was an **Ascatigno** family affair at the November 9<sup>th</sup> MTD Group 1 game where **Frank** and **Marie** took first and second place with **Rob Melrose** coming in third. **Peter Plante** photobombing in the rear was not in the running!

# Mexican Train Dominoes Groups

## Mexican Train Dominoes Group 6 (SEIS)

**John "Moose" Kelly**

**Kathe Mitchell** welcomed the Mexican Train Dominos 6 Group to her home in Walnut Creek with plenty of delicious cheeses, different types of salami from the **Hockenbrocks**, and **Mary Schmidt's** apple crumble (YUM!! and yes, I am biased). My thanks to **Kathe** for hosting such a lively and spirited event. There were a total of 17 competitors: **Kathe Mitchell** and her friend, **Allison**, from the San Juan Islands in Washington, **Richard** and **Sherry Hockenbrock**, **Brian** and **Mary McCarthy**, **Bruce Borgman** and **Susan Sheldon**, **Jim Barry** and **Joyce Wells**, **Don** and **Etta Dotson**, **Bob** and **Jane West**, **Jerry** and **Susan Kaplan** as well as yours truly. The low score, in the BONUS EXTRA money winners were **Mary McCarthy**, **Etta Dotson**, and **Jerry Kaplan**.

## Mexican Train Dominoes Group 5 (CINCO)

**Chuck Campbell / Dennis Hallett**

Will this "Girl Power" dominance never end ?? If our evening's hostess **Ann Hallett** had gotten just one less point it would have been a clean sweep. Thankfully, **Jim Burk** (Old Ironsides) came through to secure third place after **Joan Pierce** and **Patti Eisner** claimed 1<sup>st</sup> and 2<sup>nd</sup> places respectively.

As the Ladies' relentless success is considered suspicious by the Men, the score cards have been sent to Florida for inspection by Ballot Officials. The Ladies celebrated their win by consuming the remaining wine and cheese cake while the Men nursed their wounded pride and finished off the M & M's.

A HUGE thanks to everyone for making our MTD 6 events in 2018 a success. **Mary Schmidt** and I want to wish everyone a super holiday season and a prosperous 2019. See you next year!!

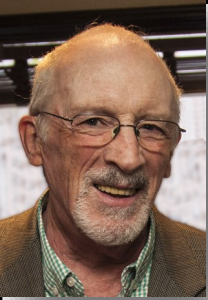

The picture says it all. They LOST ... but had a fun time playing.

## Mexican Train Dominoes Group 3 (TRES)

Jeff Baily

Sixteen happy players at three tables enjoyed the evening playing Mexican Train Dominoes at the beautiful home of **Joyce Wells** and **Jim Barry**. The eats were delicious and plentiful with the hosts having left nothing to chance.

Table white featuring **Judy Richmond, Linda Siljestrom, Lew Thompson, Jeff Baily**, and host **Jim Barry** was led by **Linda's** score of 22.4. Impressive but not enough to qualify in the overall winners' circle. Table Blue featuring **Alicia Baily, Sue Busenius, Carla Thompson, Larry Brown** and **Steve Siljestrom**, produced a lot of hilarious laughter and two overall winners; overall scores of 21 and 12.6 for **Alicia Baily** and **Steve Siljestrom** respectively garnered them 3<sup>rd</sup> and 2<sup>nd</sup> place standings for the night. But the night belonged to group champion **Joyce Wells** at table red who outplayed **Sharon Varner, Linda Brown, Dick Richmond, Jim Stedman** and **Walt Busenius** with an incredible score of 6.1. Congrats **Joyce!** Next month's game will be hosted on New Year's Eve by **Larry** and **Linda Brown**.

## Couples Duplicate Bridge 2

**Dave Pierce**

On a crisp fall evening **Christy** and **Dick DeVoe** hosted us November 13<sup>th</sup>. Our loyal super-subs **Rich Ahlf** and **Ismini MacLean** were third (56.3%); they were nosed out by half a matchpoint by our gracious hosts **Dick** and **Christy** (57.5%); and **Joan** and **Dave Pierce** were first (60%). As usual, great snacks, wine, and conversation flowed throughout the evening.

## Couples Party Bridge

**Tony Greco**

**Jerry** and **Christine Benoit** hosted the November 6<sup>th</sup> event. The evening started with the offerings of a delicious oven cooked butternut squash dip, persimmon slices topped with cheese, and brie cheese with crackers. An abundance of wine complimented the tasty offerings. The evening concluded with a delicious flan dessert served with cookies and coffee at their large dining room table. Of course, the bridge winners were announced during dessert and the subsequent bragging rights were tolerated.

We thank our subs **John** and **Kathy Kluesener** for subbing for **Brad** and **Lynne Hatcher**. The **Klueseners** were dealt better hands than last month and were in contention for a possible second or third place finish but, unfortunately they were "aced out" in the final round.

**Dick** and **Christy DeVoe** and **Tony** and **Cindy Greco** were tied for first place after four rounds of play but were overcome by **Jerry** and **Christine Benoit** and **Rich Ahlf** and **Ismini MacLean** with a strong fifth and final round finish. **Tony** and **Cindy Greco** hung on to 3<sup>rd</sup> PLACE with 2710 points, **Rich Ahlf** and **Ismini MacLean** surged into 2<sup>nd</sup> PLACE with 2840 points and **Jerry** and **Christine Benoit** stole 1<sup>st</sup> PLACE with 3690 points. Their 1460 points in the final round were more than enough to surpass all competitors. Congratulations!

Next month's event will be held on December 4<sup>th</sup> and hosted by **Dick** and **Christy DeVoe**. We all are hoping to see their spectacular holiday display of Nutcrackers and decorated Christmas trees. Once again, if anyone is interested in playing some low key couples party bridge (and likes wine, snacks and dessert) and is interested in subbing once in a while, give me a call or catch me at the next SIR luncheon.

## Men's Duplicate

### Bridge 1

Doug Eisner

**Fred Bolton** hosted 4 tables of Duplicate Bridge 1 on November 19<sup>th</sup>. This was a novel match for us as we played a Swiss Teams format for the first time with **Rich Ahlf** as the non-playing director. In this

format the 16 players are assigned to 4 man teams, each composed of a North/South pair and an East/West pair. The pairs played the same boards against their opponents and the team's score is based on the sum of the points each pair received on each board. Since most of us had not played a Swiss Team format in the past, **Rich** was busy answering questions and helping with scoring. However, in the end, the team of **Bill Schultz, Dick DeVoe, Tony Greco, and Jim Stedman** nearly lapped the field as their 70 pts ran away with first place, well ahead of the 55 pts recorded by the second place team of **Mark Curtis, Mike Whitaker, Brad Hatcher, and Dave Steinberg**.

Duplicate Bridge Group 3 winners on November 16<sup>th</sup> were 1st place tie with Bob Yolland, and Bill Schultz and Max Hinkle (center) coming in third.

**Bob Yolland** will host our December 17<sup>th</sup> game. This will be another Swiss Teams game providing enough players are available.

**Brad Hatcher**

The regular game was not held in November. Instead, we journeyed about 30 minutes north to G V Cellars in the Green Valley area of Fairfield.

Several of the group are wine club members at G V so our tasting was free. We enjoyed the daily tasting menu and managed to convince the server to open a couple of extra vintages for additional tastes. Lovely day – lovely wine, easy trip.

## Book Corner

**Peter Plante**

The November Book Corner was a great success!!! Thanks to all who brought in new books, returned books that they read and all who took home new titles. It is very gratifying to see everyone getting so much joy out of these books. If you have books in your personal libraries that you would like to bring in, all donations are gratefully accepted. You can bring them to our next Book Corner in January, or contact me at [engraverscorner@gmail.com](mailto:engraverscorner@gmail.com). I can arrange to meet you and pick them up. Happy reading!!

*The woman replied, "My husband's check book!!"*

## Cooking II Bob Yolland

Cooking II had a super wine bottling function at **Bruce and Sue Borgman's** home on Monday November 12<sup>th</sup>. This year the wine available was a nice 2016 Petite Sirah from Clarksburg. With the

amount we purchased and a little slippage we each ended up with 12 bottles labeled with each member's personal label from Sir Vineyards.

This event always involves our wives which makes it extra fun. The **Halletts** brought a beautiful crab spread appetizer and the **Richters** very nice flat bread with cheese and herbs. **Bruce and Sue** prepared a great Beef Bourguignon with pearl onions and mushrooms in a wonderful wine sauce, accompanied by carrots, small potatoes and specially done Brussel Sprouts. The **Roberts** brought a delicious 24 hour salad and the **Yollands** a nice green salad with apples, pecans and crumbled blue cheese. For dessert, the **Cammerers** brought a nice pumpkin cheese cake and the **Ybarras** made an excellent frosted apple crumble with apples harvested that morning from their tree. Of course with the food we had a variety of very nice wines, two of which we bottled previously. Thank you to everyone involved and especially the hosts **Bruce and Sue Borgman**. The **Oranjes** were traveling in South America, so we bottled wine for them.

Our next event will be lunch and wine at **Bill Cammerer's** home on January 14<sup>th</sup>. Merry Christmas and Happy New Year to all.

## Book Group Chuck Campbell

On November 26<sup>th</sup>, nine SIR members met to discuss *Jackdaws* by Ken Follett. The book is about the French resistance during the days before the Allied invasion.

The heroine, Major Felicity (Flick) Clairet, is both skilled in martial arts and very attractive. Flick was trying to organize a second attack on the Nazi communication center located outside Paris. The plan was to sneak into the main communication room under the disguise of cleaning ladies, place explosives with delay timers, and, hopefully, escape before the explosion. Flick had very limited time to identify the women candidates, train them and parachute them into France to meet up with the local French resistance group.

Flick's nemesis was Major Dieter Franck, a German intelligence specialist, assigned by General Rommel to find and cripple the French resistance activities before the pending Allied invasion. Follett develops interesting and colorful characters to bring this spy novel to life. He also finds a way to inject some romance among the principal characters.

We found the book to be an easy read, but hard to put down once the characters and plot are sufficiently developed.

For our next book we have selected *Soul of America: The Battle for Our Better Angels* by Jon Meacham. We will meet to discuss this book on Monday January 7, 2019, at the Greenery Restaurant.

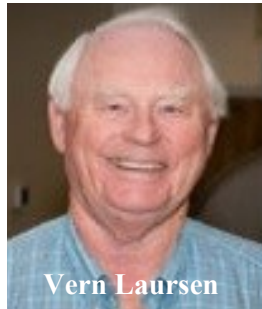

**Charlie Koeber & George Carpenter** narrated a Veterans slide presentation showing pictures of SIR 146 members and the branch of military service
