

## Big Sir's Notes

Terry Marchione

Kudos to **Steve Dawkins** for another wonderful Ladies Day. Not only was our speaker Dan Ashley outstanding, but the performance of the Song Sirs and the solo by **Russ Bliese** added a new

dimension to the occasion. The huge turnout caused a minor delay in getting the meal to some of the tables but hopefully the festivities helped make up for that. We all know what an important role the ladies play in our SIR activities and it is nice to include them in two of our luncheons.

In June we will feature our annual "colorful shirt" competition. Dig around in your closet and get out those shirts you can't wear anyplace else. This year we will award a FREE LUNCH to the winner.

**Jim Burk** and his nominating committee have come up with a blockbuster slate of nominees for the 2014 officers and directors. We will publish the list in the July newsletter and will vote on these at the August meeting. We do accept nominations from the floor at the August meeting.

Little Sir **Doug Eisner** and I will be contacting all administrative chairmen to determine their interest in staying on in their position in 2014. We are already aware of some key positions that need to be filled so you may be contacted by one of us to seek your assistance in running the branch.

On a final note... As many of you are aware, it appears as if the City of Walnut Creek will be proceeding with a remodeling of the Boundary Oak clubhouse. Rest assured that the BEC is on top of this and you will be hearing more about our contingency plan as the year wears on. Right now it looks like we will have access to the clubhouse through most of 2014. Little Sir **Eisner** will be keeping you up to date.

*There was a model who drank some varnish...she died but it was a beautiful finish.*

The June luncheon  
will feature

Gathering time 10:45 - 11:00am

Seating time - 11:45am

## Little Sir's Corner

Doug Eisner

The June luncheon is scheduled for Thursday, June 13. Our speaker that day will be Gus Kramer, Contra Costa County Assessor. Mr Kramer's presentation will provide us information on property tax rates, tax assessment methods, property transfers, and other related transactions. Mark your calendars for June 13 as this presentation will be very useful for those of us considering property transfers. My thanks to all Branch 146 members who have suggested speakers and/or topics for this year's luncheons. With your help, we have speakers or entertainment scheduled for the rest of the year, except for November, and I'm confident we'll fill that date soon.

No doubt you're aware that the City of Walnut Creek plans to extensively remodel the 40+ year old clubhouse at Boundary Oak. The remodel design phase is nearly complete at this time and the

## Poker Club 5

Bill Roberts

This is the report for the May 8 gathering.

With a change of pace, Group #5 enjoyed a catered Cinco de Mayo dinner hosted by **Bill Roberts** and for the second month in a row **Bill** narrowly avoided being the big winner. He was aced out on a technicality when **Charlie Koeber** who had been bottom feeding most of the night won all of the loose change in the last hand and snatched a not-much-deserved victory. After that we all hurried to watch the Warriors finally win. **Terry Marchione** and **Doug Eisner** were right behind **Bill** in the win column. **Frank Rockwell**, **Ken Richter** and **Bob Spellman** provided financial support to the winners. The absence of **Skip Thomas** was disastrous since his job is to split all of the pots. We are still not sure of the accuracy of the distributions. Club rules dictate that the winning player has the responsibility of providing the write up for the SIR Call so there is a lot of jockeying to come in a strong second. Our next meeting will be June 8 at **Terry Marchione's**.

## Membership

Steve Sprague

Our Branch 146 membership numbers:  
Our membership numbers did not change this month. The new member inductions took a break because of the May Ladies Day Luncheon. So we still have the 272 active

members including the eight Honorary Life Members that were reported last month. We currently have three applicants awaiting BEC approval.

Status Changes: None.

May Luncheon Attendance: A total of 273 members and guests enjoyed the Ladies Day Luncheon. Our Inactive Roster remains at fourteen members.

## Duplicate Bridge

Doug Eisner

**Lynn Freeman** hosted four tables of men's duplicate bridge on May 20. As they say in junior high journalism, a good time was had by all. However, **Bill Snyder** probably had the best time of all as his 44 pts eased him into 1st place, barely edging out **Jim Todhunter** whose 43.5 pts just squeezed ahead of 3rd place **Bob Donahue's** 43 pts. 4th place finisher was **Fred Kovar** with 41 pts.

*While driving in Pennsylvania, a family caught up to an Amish carriage. The owner of the carriage obviously had a sense of humor, because attached to the back of the carriage was a hand printed sign... "Energy efficient vehicle: Runs on oats and grass. Beware of exhaust."*

## Poker Club 1

Frank McNamee

Poker Club #1 met on May 8th at the home of **Bob White** and it appeared early on that it was to be another large day for **Bill Cammerer** as he had acquired more chips than he had space to stack them, but then that old adage "it is always better to win late" came up and **Frank McNamee** captured some big pots toward the end and took honors as the big winner for the day. **Bill** still ended up on the plus side along with **John Lewis** and **Don Martin**. We will reconvene on June 12th at the **Bill Cammerer** residence.

## Bocceball

Martin Lyle

We play 2nd and 4th Mondays at 8:30 am May through October at Concord Bocce Courts in Newhall Park Concord near the corner of Turtle Creek and Ayers Roads. Rain cancels play.

We are having a good start on bocceball this year and are expecting some fine turn outs. Join us for a fun-filled morning at the bocce courts. Experience not necessary, and an enjoyable time is had by all. Ladies are welcome.

## Couples Duplicate Bridge

Lo McCarley

**Margot Somerville** hosted the Couples Duplicate Bridge on May 15<sup>th</sup>. Everyone enjoyed playing bridge and also enjoyed Margot's snacks and wines. It was great. The group thanked **Fred Bolton** and **Ruth Bailey** for substituting. As for the results for the bridge, **Bob and Janet Yolland** came in fourth and got their two dollars back. In third place were **Jim and Allison Todhunter** with 35 points and in second place were **Bill and Margaret Rees** with 39 points. But the big winners were **Lo and Sue McCarley** with 42 points. (**Lo and Sue** thanked **Carl and Anne Johnson** for not being there since they usually come in first.) **Bill and Margaret Rees** finished in second place with 39 points. **Jim and Allison Todhunter** will host the next bridge on June 19<sup>th</sup>.

## Party Bridge

Fred Bolton

*1st Monday at 10 am at various members' homes. Contact Fred Bolton for details. Bring a lunch.*

We played four tables of bridge at the home of **Bob Yolland** on May 6. First place went to **Rich Ahlf** with 7120 points, second to **Bill Snyder** with 6610, third to **Bill Rees** with 5310 and fourth to **Bob Burley** with 5000. Our next game will be at the home of **Rich Ahlf** on June 3. Bn 26 please contact Jim Burk or Chuck Campbell to claim your free lunch.

## Couples Duplicate Bridge 2

Jim Adams

The Couples Duplicate Bridge 2 Group was graciously hosted by **Lynn and Dasha Freeman** on May 14. Wouldn't you know it? The **Freemans** took 1st place with 25.5 points and relatively easily to boot. **Bob & Janet Yolland** (22) took 2nd, and **Terry & Sharon Marchione** slipped into 3rd (18.5). However, a scoring malfunction was detected shortly after the gala award ceremony which could have affected the rankings. Let's see. The NBA/NFL/NHL preclude changing final scores after-the-fact, but the NCAA changes game winners after-the-fact for significant policy infractions. The CDB's rules committee will no doubt be addressing this pressing issue at its next gathering.

## GOLF

Ray Weisz

Golf is one of our most popular activities with over 100 registered golfers. We are fortunate to have a large assortment of venues and formats: We play Tuesdays at Boundary Oak. Players are randomly paired and starting

tee times are emailed to all participants.

In addition to regular stroke play, we have many Tuesday tournaments specifically set up for our players.

There is a 9-hole group that plays at Diablo Hills. They play every Thursday except the second Thursday of the month, which is the luncheon date. For those with golf playing partners, there is Couples Golf offered on the 4<sup>th</sup> Wednesday of the month, April through October.

Like playing other courses? On the first Thursday of each month (From May through October) we offer Away Golf. Do you enjoy competing against other SIR players from different branches? We have several different formats throughout the year.

Since we have so much going on, we have found it necessary to publish a weekly Golf email (GEM) outlining upcoming events and results from past events.

All of our golfers should be receiving GEMs. If you would like to be added to the distribution list (non-golfers are welcome too), please let us know by emailing your request to [sir146golf@gmail.com](mailto:sir146golf@gmail.com).

## Book Corner

Ken Richter

The Ladies Day Luncheon in May was very busy at the Book Corner. It looked like books were just flying out the door. There were four fewer boxes of books at the end of the day. The activity at the Book Corner by our members has been increasing over the last year. It

is time for me to ask for help. I am looking for someone who can arrive early, stay after the luncheon to box books and store the books at their home. Contact **Ken Richter** at [KERichter@astound.net](mailto:KERichter@astound.net).

The Book Corner will be open next at the July Luncheon.

## Couples Golf

John Harrington

Our Couples Golf season got off to a great start with 14 couples enjoying good weather and fun golf at Lake Chabot on April 24. The event was hosted by **Dick and Christy DeVoe**. After completing the 649 yard par 6 -18<sup>th</sup> hole, the couples adjourned to the 19<sup>th</sup>

hole to hydrate and hear the results of the various contests devised by our Chief Prognosticator **Dick DeVoe**. **Lew and Carla Thompson** took top honors for exactly predicting the order of finish for all of our 7 foursomes. **Lew and Carla** were last seen making reservations for the Reno State Golf Tournament hoping that their good fortune continues. Our May 22nd golf outing will be hosted by **Jim and Judy Baldrige**. They have planned a great day in the wine country as our group heads to The Vintners Golf Club in Yountville. Couples Golf takes place on the fourth Wednesday of each month April through October. Come join the fun.

## Couples Dining Out

Bruce Borgman

The Couples Dining Out group had yet another fun evening on Thursday May 16 at Salvatore's Ristorante in Walnut Creek. A total of 17 couples enjoyed chatting, socializing and dining together at this well-known favorite Walnut Creek dining spot. The Italian cuisine included a choice of salad, and three choices of entrées, which featured their signature lasagna, a shrimp and pasta dish, and a stuffed chicken breast. The dessert was a choice between a chocolate and lemon cake. A good time was had by all! Our next event will be in July – probably the 15<sup>th</sup> or 16<sup>th</sup> – at yet another restaurant worthy of our group's culinary tastes. We continue to enjoy each other's company as we get to know our SIR friends better and make acquaintances with ones we may not know as well. We encourage those who enjoy good food and good company to join us at our next event. For recommending a restaurant, getting on the mailing list, or generally getting information, please contact the activity chair, **Bruce Borgman**, at 932-3961, or email him at [gborgman@aol.com](mailto:gborgman@aol.com).

## Fishing Report

Paul Dubow

The salmon are back. **Joe Karg** and son were the headliners, limiting out on a party boat out of Berkeley. **Carl Moyer** landed a large salmon on a private boat. The only negative involved a six pack trip chartered by **Carl Moyer, Terry Miller, Jerry Flahiff, George Vogt,** and **Gordon Linebaugh.** They did not get a single bite. But they chose a bad day. Salmon are definitely back in good numbers and size.

**Joe Miscione** abandoned his fishing rod for a shovel and pulled in a load of clams from Bodega Bay. **Don Mittelstadt** took a trip to Kelsey Bass Ranch and landed lots of bass, using wiggle tails and poppers. The winds by and large kept us off the Delta but **Sal Costanza** of Branch 146 picked up a ten pound striper trolling near the Antioch Bridge.

Trout fishing continued to be good and we expanded our outings this month beyond the Bay Area as **Joe Miscione, Terry Miller, Harry Sherinian, Craig Walton,** and **Romano Gnusti** came home with limits after a trip to Lake McSwain. But the local lakes are still doing great. The topper was a trip to Shadow Cliffs Reservoir in Pleasanton by **Gene Schulting** of Branch 146, **Mike Corker, Barry Rauchle, Romano Gnusti, Bill Landers** and **Carl Moyer.** They limited out in two hours and released many smaller trout.

We will be very busy this summer with delta fishing for bass, catfish, and sturgeon; trout, silver salmon, and kokanee salmon in mountain lakes and rivers; salmon, halibut, and rock fishing in the ocean; and some distant forays to Canada, Mexico, and Alaska.

Our next meeting will be Thursday, June 27, at the Legends Sports Bar and Grill at the Diablo Creek Golf Course at 4050 Port Chicago Highway in Concord. The meeting starts at 8:30, but come earlier to join us for breakfast. For further information, please contact Big Fish **Pete Gates** (925-937-2035), secretary treasurer **Tom Boltz** (925-685-5243) or branch fishing coordinator **Paul Dubow** (415-495-6504).

media.

Come join us to experience dining in a relaxed and friendly atmosphere with your fellow Sirs and other male guests.

They pride themselves on fresh daily homemade foods that are affordable and delicious.

construction phase is expected to begin in late 2014. During construction, our monthly luncheon must be relocated to another site until construction is completed, a process which may take as long as one year. Last year a committee led by Sir **Bill Holly** surveyed alternate local facilities and recommended that we relocate our monthly luncheon, when necessary, to the Concord Hilton Hotel. The BEC is mindful that even a temporary relocation severely disrupts our long-standing luncheon pattern. However, the BEC also recognizes that we have no choice in this matter as the Clubhouse will be uninhabitable during the construction phase. The BEC is developing a relocation plan that minimizes the disruption to the greatest extent possible. We'll share that plan with you when it's complete and we'll also keep you informed regularly on construction progress. In the meantime, feel free to contact any BEC member if you have questions or comments.

Who says they were all proper & straight-laced in Victorian times?

Not in [this] play by Oscar Wilde!

*Lady Windermere's Fan* is Oscar Wilde's comic masterpiece of manners and morals. It's the SIR146 theatre party planned for Tuesday, August 20 at 7:30pm. The location is the beautiful outdoor California Shakespeare Theatre near Orinda.

A socially prominent woman in the story discovers her husband is "getting it on" with another woman, and she sets out to challenge this situation by inviting the "other woman" to the wife's birthday gathering. That's when the fun and distress begin!

Oscar Wilde is famous for his comic satires of Victorian life, and is best known for his play, *The Importance of Being Earnest*. Those attending *Lady Windermere's Fan* with the SIRs are promised a rip-roaring good time!

A limited number of reserved seats in the front sections of the theatre have been set aside for SIR members and guests. Reservations can be accepted until July 9, or until our ticket allocation has been filled. Tickets are \$44.50 each. Send your check (payable to "SIR146")

to SIR Gary Schaub, 1758 Candelero Court, Walnut Creek 94598. Tickets will be mailed to members in advance of the August 20 performance.

The Cal Shakespeare Theatre is located off Hwy 24 at the Wilder Road exit, just past Orinda. Grounds open at 5:30 p.m. Patrons at Cal Shakespeare Theatre enjoy arriving early, bringing a picnic, or purchasing food on site, or to attend a pre-show informal introduction to the play. You are advised to dress for possible chilly weather in the outdoor venue. Lots of coffee, hot chocolate and wine is available!

At our Ladies Day Luncheon several members asked what were the flowers we used as center pieces. The name of the plant was Godetia. It is a native to California, north to British Columbia. The plant is in the Clarkia family named after Lewis and Clark as they observed the flowers on their trek to Oregon and the plant itself was named after the Swiss botanist Charles Godet. Godetia are usually grown from seeds. They are an early blooming flower grown in moist soil in full sun in cool weather regions. They do well as wild flowers, in rock gardens and as borders. The taller variety makes good cut flowers.

Our meeting in May is a trip to the Arboretum in San Francisco followed by lunch. As summer nears and people travel, the Garden Club will take a few months off in June and July.

### Couples Party Bridge

Dave Pierce

**Terry and Sharon Marchione** graciously hosted three tables on May 7<sup>th</sup>. We had two substitute couples and they put the regulars to shame. In a very tight scramble, **Brad and Lynne Hatcher** edged **Tony**

and **Cindy Greco**, 3920 to 3910, but they were well ahead of the third place couple, **Joan and Dave Pierce**, 3430. Congratulations, subs! **Brad and Tony** have been playing well in **Dick DeVoe's** Men's Duplicate Too group; could there be any connection? We don't normally treat our guests as generously. There was a rousing and hilarious post mortem discussion by certain less inhibited regulars, best left unreported to protect the innocent (and the guilty).

The Area 2 \$ums Investment Group will meet on Wednesday June 26, 2013, 8:00 AM at the Diablo Creek Golf Course, 4050 Port Chicago Highway in Concord. Our speaker will be **Geoffrey Cable**, CFP is managing director and assistant manager of the advisor division at Destination Wealth Management a financial planning and investment services firm in Walnut Creek, California. **Geoffrey** will present a workshop on “Long term care- What you need to know” **Geoff** will discuss “What are long-term care services” – “Will I need long-term care services” – “Factors to consider” – “Planning and paying for long-term care” – “Long-term care insurance and types of policies” and the numerous details that you need to consider before buying a

long-term policy. Finally understanding State of California partnership policies. This meeting will bring needed in-sight to a health care issue that we all may need in the future.

The Legends Restaurant opens at 7:00am, so plan to have an enjoyable breakfast along with your fellow members and guests. Bring along a prospective SIR member to let them know about our investment group and enjoy a timely presentation. Let’s support the restaurant and its excellent staff. Occasionally George Schulze will ask for a \$2.00 donation which we need to pay for items that come up and to tip the wait staff of the restaurant. Please make sure you all support George on this. Look forward to seeing you all in June.

## Cooking II

Bob Yolland

**Ken Richter** put on our great May lunch at his very nice home. The weather was super and we were able to be out on the patio and enjoy the waterfall going into the pool. We especially want to welcome **Dennis Hallett** to our luncheon group. He gave us a try and decided to join in the fun even though he claims not to be much of a cook. We will need to get ready for shepherd's pie and/or steak and kidney pie.

**Ken** started off with an avocado dip and other goodies. For the main course he served an excellent chicken, broccoli, avocado alfredo with a very nice spinach and mandarin salad. Capping off the meal was **Ken's** signature dessert which combines several liquors with vanilla ice cream. Need to be careful with that one as it sure goes down easily. Of course we had a variety of red and white wines. After double checking the Sangiovese that we bottled last September the group concluded that it is aging very well. Our next lunch will be June 10th at **Bill Cammerer's** home.

"Yeah, I am," Sue said. "He'll miss me."*

We were blessed with a great venue and wonderful hospitality at host **Bob Yolland's** home on May 17. **Jerry Milano** (Branch 8) took top honors with 28.5 points, followed by **Jim Brown** (27), **Bill Snyder** (26.5), and **John Boyan** (26). Nine of the twelve players made or beat the mean average of 24 points, which was most unusual. The top three players had more zeros on boards than four other players, which indicates the rest of us aren't so bad after all!

*Two blonde guys were working for the city works department. One would dig a hole and the other would follow behind him and fill the hole in. They worked up one side of the street, then down the other, then moved on to the next street, working furiously all day without rest, one guy digging a hole, the other guy filling it in again. An onlooker was amazed at their hard work, but couldn't understand what they were doing. So he asked the hole digger, "I'm impressed by the effort you two are putting into your work, but I don't get it -- why do you dig a hole, only to have your partner follow behind and fill it up again?" The hole digger wiped his brow and sighed, "Well, I suppose it probably looks odd because we're normally a three-man team. But today the guy who plants the trees called in sick."*
