

FISHING

Paul Dubow

Branch 146 fishermen are part of the Area 2 fishing group. We meet at 8:30 am on the fourth Thursday of every month (the third Thursday in November) at the Legends Bar and Grill, Diablo Creek Golf Course, 4050 Port Chicago Highway in Concord. However, breakfast is available before 8:30 and most of us take advantage of that. Normally, there is a speaker at the meeting. We also have an annual picnic at a member's home, a Christmas party, and a fish fry (using the fish that we catch) at another member's home.

However, our main focus is fishing. We have at least five organized outings each month and many of the members also team up on their own to fish. Local venues where we fish are Shadow Cliffs, Los Vaqueros and San Pablo Reservoirs (trout), the Delta (sturgeon, stripers, catfish, and bass), Lake Berryessa (kokanee, trout, bass) and the ocean (salmon, stripers, halibut, rockfish). We also do several overnight outings (anywhere from one to five nights), including but not limited to, Lake Davis and Lake McSwain (trout), Lake Oroville (silver salmon), the Sacramento River (king salmon, fly fishing), the American River (shad), and the Klamath River (salmon).
