

Big Sir's Notes Jim Burk

What a wonderful Ladies Day Christmas Luncheon we enjoyed on December 8. **STEVE DAWKINS** organized a very special event and with the ladies present, the beautiful decorations, and the Monte Vista High School singers performing, all contributed to what was a terrific start to the Holiday Season. We also paid tribute to outgoing **BIG SIR PETE GATES**, and the other officers, directors, and committee chairs who are concluding their current service. A special thank you to these gentlemen who have dedicated themselves to the success of our Branch. It is not too early to think about **RECRUITMENT OF NEW MEMBERS** for 2012. Last year we had 5 guests at our January luncheon. Let's get off to another quick start for the New Year by inviting a guest to our January luncheon on 1/12.

"REMEMBER TO BRING A FRIEND TO LUNCH"

As you may have learned, **JIM MEEHAN**, for personal reasons, has had to forego taking on the Secretary position for 2012. However, we recently have had a wonderful offer from **DICK DEVOE** to pick up this important assignment. Gratefully, I have accepted his offer of help on a temporary basis until such time as we can vote on making it permanent by action of our BEC on January 12th. Dick comes with an extensive background in SIR and will be a terrific addition to our 2012 BEC. We still have a few "Vacant" positions for Administrative Committee Chairs in 2012, so please be open to volunteering to serve, or accepting an appointment when offered.

Any member is always welcome at our **BRANCH EXECUTIVE COMMITTEE (BEC) MEETINGS** that take place in the Lakeview Room at "The Clubhouse" at Boundary Oak prior to our monthly luncheon. In January, the BEC will meet on the 12th, starting at 9:00 a.m. This is 30 minutes earlier than we have started in previous years so as to enable us to finish our business and have important time for socializing with members, new and existing. Come and join us at the meetings as your schedule permits.

Little Sir's Corner Terry Marchione

Following in the footsteps of 2011 Little Sir, **Jim Burk**, will be a tall order. As the 2012 Little Sir I hope to provide speakers on a wide variety of topics. To assist in that quest I have formed a committee consisting of **Jerry Kaplan, Doug Eisner** and **Corrie Oranje**. We have been hard at work and have several speaker commitments. Branch 146 members have provided us with many suggestions and we appreciate that. We have also found (not surprisingly) that the Branch itself has many members who have expertise of interest and we plan to utilize some of this expertise (saving most of it for future Little Sirs).

Our January speaker will be **Deborah Braver**. **Deborah** will be speaking to us on Senior Fraud Prevention. She brings more than 35 years of public policy experience to her role as Education and Outreach manager for the California Department of Corporations. **Deborah** is an accomplished speaker and I'm sure will have lots of useful information for us.

In February, we will call on some in-house expertise as **Alan Elnick** will address us on the topic of the Contra Costa Grand Jury. For the past year **Alan** has served on the Grand Jury. He will explain the inner workings of that group. Should be very interesting for those of us who have not had the opportunity to serve in this important role.

We still have openings for speakers in 2012 so if you have a connection with someone who you think would be interesting please let one of us know and we will follow up.

Duplicate Bridge Doug Eisner

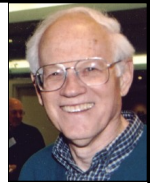

*Our match is held each month on the Monday after the SIR luncheon at various homes.
Bring your lunch*

Rich Ahlf hosted 4 tables of duplicate bridge on Dec 12. Evidently the Christmas spirit of sharing and giving to others affected all the players as this was the closest match in recent memory with a mere 2.0 pts separating the top 4 players. **Carl Johnson** squeezed into first place with 42.0 pts followed closely by **Jim Stedman** with 41.0 pt. **Doug Eisner** took third place with a score of 40.5 pts, barely edging out **Bill Snyder's** 40.0 pts.

Our next game will be hosted by **Fred Bolton** on Monday, Jan 16.

Couples Duplicate Bridge Lo McCarley

*Meet the 3rd Wednesday of each month starting at 7:00 pm at participants' homes.
Couples play as partners.*

Margot Somerville hosted eight couples for a gala evening of duplicate bridge on December 14th – everyone had a great time. The group thanked Rich Ahlf for subbing for Vince Rettew as Margot's partner. Bob and Janet Yolland took first place with 39 points and Carl and Anne Johnson were close behind with 38 points. Lynn and Dasha Freeman took second with 35 points and Lo and Sue McCarley came in fourth with 33 points. Jim and Allison Todhunter will host the next bridge on January 18th. Watch this space to see the future bridge results

New Duplicate Bridge 2 Dick DeVoe

IT'S OFFICIAL! Branch 146 has another bridge group- Mens' Duplicate Bridge 2. The founding event was held at coordinator **Dick DeVoe's** home December 1st with 12 players, 3 tables, and 24 boards. The resident analyst found that bidding outweighed play in the scoring:

Bids- 11 boards were lost by not bidding game or being in the wrong suit, 1 board did well by defensive opponents taking the bid and losing fewer points than others gained, and 1 board had a partnership that bid on nothing and made it while others passed out the board.

Play- 9 boards were won or lost by play (bids were the same or in the same suit, with different trick results), and **Bids and Play-** only 2 boards had apparently both bid and play errors among partnerships.

But, hey- It's a most congenial bunch that cares less about where they end up in the standings, right? For those with more than a humdrum interest in the mundane competitive side of the game: Substitute **Bob Donahue** took the most bragging rights with 29 points, **Dick** got 28-1/2 points as luck would have it, and **Ted Gunn** passed the rest of the gang with 27 points.

The next event is Jan. 26, 10am at **Rich Ahlf's** home. **Rich** is willing to host 4 tables, so we'll need a bunch of subs participating to get to that number. If you're not on the regular or sub list, call **Dick DeVoe** to add your name!

COUPLES PARTY BRIDGE Dave Pierce

Dave and Joan Pierce hosted two tables on December 6th. November's hot cards cooled off considerably as players struggled to find makeable games. The hosts came in second with a measly 1910, and **Terry and Sharon Marchione** scored 2610 to cop the top money. Maybe it's the economy, or an omen of a harsh winter. Hopefully we'll be back to three tables in January to warm things up.

Dave Pierce, 932-3877

Party Bridge Fred Bolton

1st Monday at 10 am at various members' homes. Contact

Fred Bolton for details.
Bring a lunch

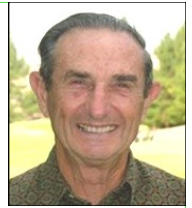

We played four tables of bridge at the home of **Rich Ahlf** on Dec. 5. First place went to **Bob Burley** with 6760 points, second to **Carl Johnson** with 5290, third to **Tommy Thomson** with 4780 and fourth to **Doug Eisner** with 4520. Our January game is cancelled. Our next game will be at the home of **Bob Yolland** on Feb. 6.

Poker Club #1
Frank McNamee

Poker Club #2
Al Zamolo

Poker Club #1 met on December 7th at the Moraga residence of **Don Martin**. **Frank McNamee** got back to the winning side with **Bill Cammerer** and **Dan O'Sullivan** as the 4 other players came up a little short at the end of the day. We decided to keep it going for another year so we will meet where it all started at **Frank McNamee's** home on Jan, 11th, 2012.

Our November session hosted by **Ron Binder** was a record setting day. **Bob Royster** was the biggest winner ever in our group. **Al Zamolo** drew 8 cards in 20 and a half. We all set a record for the largest number senior moments. What a Day. **Jim Brown** will host our Dec. meeting hopefully without some new records.

NEW MEMBER RECRUITMENT IS SUCCESSFUL BRANCHES ARE IMPROVING

Our goal was to recruit 1,900 new members in 2011. Branch leaders exceeded this goal by recruiting and inducting 2,100 new members. This is an outstanding accomplishment which puts to rest the idea that newly retired men are not joiners. They will join SIR branches that are appealing. But this successful year is only a start.

The SIR organization fell on hard times in recent years. Overall membership declined from about 32,000 members in 1990 to about 18,000 now. 44 branches failed and closed in the last 12 years. We know why this happened. We lost our focus on maintaining a good balance of newer and older members in our branches. We did not recruit enough new members annually to maintain a good proportion of newer members and our branches became less appealing and lost members.

Our challenge now is to restore this balance. We have found that recruiting new members every year at the annual rate of at least 10% of membership is needed. We met and exceeded this goal in 2011. So when Branch leaders remind you to sponsor a new member, please respond by inviting your retired friends and acquaintances to join. Each successive year this goal is met the proportion of newer members in your branch will increase. Over time balance will be restored and your improved branch will be there for you and for those who come after you.

SIR President **Jim Stedman**

Area 2 Computers and Technology Group

The Area 2 Computer and Technology Group invite all Sirs and their guests to our next meeting at the Walnut Creek Elks Lodge on Thursday, January 19th at 9am.

Barry Brown will explain why the good looking image on our screen often turns into something unrecognizable when we print it! Why do the colors change so much? (Is my face really that red?) The photos I got back from Costco (or whoever) are terrible considering the time I spent adjusting the colors to get them exactly right! Find out why color is so difficult to define and reproduce. Learn how you can improve your color prints with a little effort that soon becomes a simple routine. The knowledge you gain should reduce wasted ink and paper. Come to learn, socialize, and save money too.

After this presentation **Dick Curry** will lead a Q&A to address current computer issues. So please join us for a fun and informative session. As always there will be coffee and cookies available before and during the meeting.

Meetings of the Area 2 Computer and Technology Group are held the 3rd Thursday of each month (except June and December) from 9:00 to 11:00 a.m., at the Walnut Creek Elks Lodge, 1475 Creekside Drive. Whether you are a beginner or a seasoned user, we try to offer something for everyone. We ask for a donation of \$5 to cover the cost of the hall rental, coffee and cookies. See you there.

The planned meetings for the next 4 months will be on: Feb 16, Mar 15, Apr 19, and May 17. Topics should include online telephone services and video, home wireless networks, file organization and back-up, home automation and security, and new consumer technology devices. Later in the year we hope to discuss principles of basic scanning and sending images, photo restoration and, possibly, developments in genealogy research. If you can suggest other titles of interest please contact one of the co-chairs.

FISHING REPORT PAUL DUBOW

Winter is here but it did not stop the intrepid members of the Area 2 Fishing Group. **Joe Miscione** and **Mario Moratorio**, who have become our experts on Lake Berryessa, continued their success there with ample catches of kokanee salmon and trout. They did digress from their lake forays on one occasion to fish in Suisun Bay off Pittsburg, landing five small sturgeon. **Paul Dubow** and **Carl Moyer** duplicated that total at Pittsburg a few days later. **Paul** also picked up a keeper striper. We also resumed our trips to Shadow Cliffs Reservoir. **Carl Moyer, Barry Rauchle, Ron Yates, Romano Gnusti, George Schulze, Steve Greytak,** and **Gordon Linebaugh** fished there at various times and they all returned with good sized rainbow trout. **Gordon** was especially proficient. Fishing with two rods, he hooked a rainbow on each rod at the same time and landed them both. **Terry Miller** and **Carl Moyer** found a beautiful day on the ocean and came home with some rockfish and Dungeness crabs. **Clem Teeters** traveled to Eagle Lake in Plumas County and caught a limit of rainbows while trolling. **George Vogt** caught a limit of crab and rockfish plus one ling cod on a party boat out of Bodega Bay.

Our current fishing schedule for 2012 has been set. We will making monthly trips to Shadow Cliffs (except in the summer), a number of trips to the delta for sturgeon and stripers plus a few others in the delta for black bass, several trips for kokanee and trout in Lake Berryessa, at least one to Lafayette Reservoir, and some halibut trips in the bay. We also plan overnight trips to Lake Oroville and the Sacramento River for salmon and to Bass Lake and Lake Davis for trout.

Our next meeting will be on January 26 at the Legends Sports Bar and Grill at the Diablo Creek Golf Course at 4050 Port Chicago Highway in Concord. The meeting starts at 8:30 am but you can join us for breakfast at 8. For further information, call **Paul Dubow** at 415-495-6504.

Mac User Group

The SIR Mac User Group meets the 2nd Monday of the month at the Thurman Casey Library on Oak Grove Road from 3 to 5pm. The leaders are **Jeff Baily, Max Burchett,** and **Verner Laursen.**

From time to time we email suggestions to the people on our list, so if you use a MAC computer and are not receiving emails from us, please join the group and let us know what your email address is. At our monthly meetings we discuss Mac user issues. This is not a class in the traditional sense but rather a discussion group wherein the leaders don't have all the answers and the solutions sometimes originate from the attendees.

We welcome new attendees. If you have a Mac question or would like to be on our email listing, please contact one our leaders. We are here to help you.

Area 2 \$ums Investment Group

The Area 2 \$ums Investment Group will meet on Wednesday January 25, 2012 at 8:00 AM at the Diablo Creek Golf course, 4050 Port Chicago Highway in Concord. Our guest speaker **Tom Kopas** returns again this year to present "**Market Outlook 2012 – Is the Cyclical Bull Market for Stocks Over?**" **Tom** will deliver an update to Pring Turner Capital Group's secular and cyclical outlook for stocks, bonds and commodities. Packed with fresh new material based on their unique, internationally recognized research, this presentation will answer many topical questions, including: What's ahead for the Economy? Are We in a Recession or Not? Is the Cyclical Bull Market for Stocks Over? What are the Long-Term Themes for Profitable Opportunities? **Mr. Kopas** is a familiar and popular speaker to \$ums in Retirement, having been invited to speak each year since 2001. **Tom** will discuss what asset allocation decisions will bring investors profitably through this cycle, and where the risks and opportunities are for investors now and in the coming months and years.

The timeliness of **Tom's** presentation is one all will enjoy. The restaurant at the course opens at 7:00am for those would like to enjoy breakfast with your colleagues.

Cribbage John Pearl

Six of our group tore themselves away from the holiday festivities long enough to gather at **Barney Meade's** home on Wednesday, December 28, for another exciting afternoon of cribbage. When the dust had settled and the shouting was over, our host, semi-pro player **Barney Meade** took home first place money, former Big Sir **Dennis Hallett** found himself in second place, and the refugee from Branch 116 **Kirk McVean** took home third place money. It was a great way to end our year of fun and games!

Please let me know if you'd like to join our group in 2012, and a chance to make a lot of money.
