## Big Sir's Notes

**Jim Stedman**

On Tuesday, January 16, 2007 we lost former Big Sir **Joe Jansen**. He was a consummate Sir, a true gentleman and friend of many. I asked **Don Nunn** to write the tribute for Joe.

We got off to a good start for 2007 at the luncheon meeting with the introduction of three new members, **Bob Darius**, **Joe Fitzsimmons** and **Ray Spears**. I welcome each of you to Branch 146. Please take advantage of our many activities and participate in those in which you have an interest. You will make new friends, which is what SIR is all about.

At the January Executive Committee meeting the new waiting list was established by lottery. There are now 15 men on the waiting list with another five in the applicant file. The Committee also approved the list of activities for 2007 and the chairmen for all committees and activities. I thank all of you who have agreed to serve on our many committees. We have a robust branch because of you. It was also announced that our random seating, "Getting to Know You" day, will be at the April luncheon, and "Wild Shirt" day will be at the August luncheon. Our Executive Committee meetings are held at 9:30 AM in the bar area of Blake's on the days of our luncheons. If you have an interest, please attend. We'd like to have you.

In the last two years **Ray Kan** and **Garth Cummings** each reported in this Big Sir column that our State SIR organization had been losing members and branches for many years. The losses continue. This year each Big Sir has been directed to evaluate his branch to determine if it is at risk of losing members. At my request, all of the Executive Committee members participated in two informal sessions in January to learn about membership issues. I thank them for their time and attention. No action was taken because these were informal sessions. A summary of the membership information presented at these sessions will be published in a future edition of the SIR Call.

In addition to **Dick Richmond**, who serves on the State SIR Golf Committee, two more of our members have agreed to serve beyond our branch level. Former Big Sir **Dick DeVoe**, is now serving as a member of the State SIR Growth and Management Committee and former Secretary **Bill Weinberg** is now serving as Area 2 Chairman for Table Pool. I thank them for giving their time and talents for the betterment of SIR.

## Little Sir's Corner

**Jeff Bailly**

February's Luncheon speaker will be **Bob Tharratt**. **Bob** was shot down over Germany during WWII and spent some time in a German Stalag luft. He was awarded the Distinguished Flying Cross for his brave actions just before his airplane crashed. He will tell us of his experiences as a POW as well as the long march near the end of the war.

**Remember!**  
**The New Luncheon Price is \$21**

Our Greeters for the January Luncheon: **Ted Coggiola**, **Ed Mendelssohn** and **Phil Sapunor**

## Bowling

**Larry Mitchell**

The first half of the current SIR Area 2 Bowling League is officially over. The position round was bowled in December of 2006. The "ROWDIES" came out on top and will bowl the winners of the second half for the title. The winning team members are: **Bill Martin** (Br. 146), **Jim Chenevy**, **Wes Van Beveran** and **Jim Jotter**.

The next SIR tournament will be in Sutter Creek on January 25th and 26th. This will be a Singles and Mixed Doubles Event. Details and Sign-up Sheets will be available at Diablo Lanes on our regular bowling days (Wed.).

On January 6th, I went to Reno and bowled in the Annual PRO-AM tournament and enjoyed meeting some of the Professionals we see on television. My personal bowling was not worth talking about but I had a good time anyhow. I did get a new ball and carrying case as part of the entry price, thank you very much. However, I calculate those items cost me about \$800+.

## Duplicate Bridge **George Zunich**

*Our match is held each month on the Monday after the SIR Luncheon at various homes. Bring your lunch.*

Sir **Jim Jackson** hosted three tables of duplicate bridge in January. He took first place with 30 1/2 points and **Fred Kovar** was second with 28 1/2 points. **Lynn Freeman, Jim Brown** and **Chuck Hammond** tied for third with 24 1/2 points. The next meeting is scheduled for Monday, February 12th. Our regular chairman, **George Zunich**, is recovering at home from heart by-pass surgery on December 21st. He expects to be back in business soon. **Bob Donahue** or **Carl Johnson** can be contacted at 376-4527 and 376-6146, respectively, for information.

## Couples Duplicate Bridge **Lo McCarley**

*Meet the 3rd Wednesday of each month starting at 7:00 pm at participants' homes. Couples play as partners.*

**Jim** and **Allison Todhunter** hosted a gala evening of duplicate bridge on January 17th. All eight couples had a great time and the winners were **Jim Brown** and **Barbara Lundblade** with 39 points. **Lynn** and **Dasha Freeman** (36 points) tied for second with **Jim** and **Allison Todhunter**. **Carl** and **Anne Johnson** captured fourth place with 34 points. **Bob** and **Janet Yolland** will host the next bridge on February 21st.

## Songsirs

**Bill Rees**

The SONGSIRS have been in a state of suspended animation since before Christmas. We'll be coming to life again on February 7th when we sing for the W.C. Presbyterian Church VIP's luncheon. Practices will be each Wednesday in January at 3pm at the W.C. Presbyterian Church.

## Fishing

**Sal Costanza**

*4th Thursday at 8:30 am. at Diablo Creek Golf Course (Legends Grill). North Port Chicago Hwy*

*December reports:* **Joe Peterson** showed pictures of 43# salmon he caught.

**Don Mittlestaedt** reported catching steelhead and trout on the Klamath and Trinity Rivers. **Joe Karg** caught stripers in Broad Slough. **Carl Moyer** caught and released several stripers and sturgeon at the Mothball Fleet. Lately, weather has been too cold.

*Future trips:* Ice fishing at Davis Lake; Pleasanton Fly Fishing show in February, San Pablo Res. for trout; Delta for stripers and sturgeon. And much more!!! Come to our next meeting on February 22nd and find out what's on deck.

Know how to prevent sagging? Just eat till the wrinkles fill out.

## Cribbage

**Al Tufo**

OK, the holidays are over. From Thanksgiving through The New Year, the **Italian Stallion** put on 200 lbs.; eating all the pasta and sweet pastries in front of him. It showed in the first tournament race of the year. Chasing the Dublin Kid **Larry Reilly** down the stretch, there was no way the I.S. could catch him, and had to settle for second. After going back to the barns, and cooling off on the walk-around, eating some oats, getting on the tread mill, then resting, the I.S. was ready for the next tournament race. It started just like the last race, except instead of the Dublin Kid leading this time, it was **Langley Erickson**, the Fighting Viking, who was beating a path to the finish line. It took all the pasta fasule the Italian Stallion had to catch him and win by a nose.

Best Wishes to all for a Happy New Year. CIAO Tufo

## Area 2 Computers and Technology Group

**PHIL GOFF**, Chairman, 831-3692 philgoff@yahoo.com

**DICK CURRY**, Assistant Chairman, 376-5541  
racorinda@pacbell.net

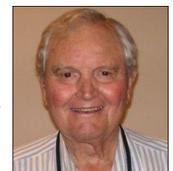

**Thursday, February 15 – How to Buy a Desktop PC that Matches Your Needs.** **Phil Goff** (Branch 116) will present information about defining your computer needs, identifying the right computer, sources for purchase, and current pricing. There is a large variety of computer hardware that is being pushed at consumers and we will try to identify the hardware that is right for you. This includes CPU speed, hard drive capacity, memory, monitors and more. So if you are considering buying a desktop PC or thinking about upgrading your existing PC, you will want to attend this session. Please note we will not be discussing laptops or Macs; this meeting is dedicated to desktop PC's.

Following the presentation on Desktop PC's, **Dick Curry** (Branch 171) will conduct an informative Computer Q&A session.

Meetings of the SIR Area 2 Computers and Technology/ Digital Photography Group are held the 3rd Thursday of each month (except June and December) from 9:30 to 11:30 a.m., at the Social Hall of the Walnut Creek United Methodist Church, 1543 Sunnyvale Ave. (off N. Main, one block north of the Treat/Geary/N. Main intersection). All SIR members and their guests are welcome to attend.

## Sirmoncats

**Jim Helmick**

The Sirmoncats had their debut performance at the Luncheon last week. Due to a large program we kept our contribution to a minimum but judging by some overheard comments what we did was well received. **Olof Johansson**, our Chugger player, has been under the weather but is recovering fast. He promises to be with us for our next gig. There must be some more players in our group. Call **Jim Helmick** 376 6042 if you're interested.

## Garden Club

Chuck Bobinecz

1st Thursday at 9:30 am at the Walnut Creek Presbyterian Church, 1801 Lacassie Ave., in the Multipurpose Room, unless otherwise announced.

**ROSES:** Most gardeners have a rose bush that needs pruning this time of year. Sir **Bob Yolland** has arranged for a "hands on" demonstration at Heather Farms on February 1<sup>st</sup>, 9:30am, by rose experts. Find out why you should prune roses and how different types of roses require different pruning methods. So, bring your rose pruners, gloves, etc. to take advantage of this expertise and also to give to community service. There might be doughnuts. Wives and guests welcome. You do not have to be a Garden Club member to come to this event.

### The Garden Club:

What is it? Well, we are not into flower arranging. More people are involved in gardening than any other activity (well maybe except one). It is rated as one of the best exercises for the body. We meet once a month and have a new gardening topic, field trip or an expert speaker on a gardening topic. Check with Sirs **Chuck Bobinecz**, **Lew Thompson**, **Lo McCarley** or **Ron Binder** for more info.

## Table Pool

Bill Weinberg

1st and 3rd Monday at 11:30 am.  
(at Masse's 2721 N. Main, Walnut Creek)

Just a note that **Martin Lyle** has agreed to assist me with the Table Pool Club Meetings. Remember, the 1st and 3rd Mondays are when we meet at Masse's on North Broadway.

## Investments

The February meeting will be held on the 28th at the Diablo Creek Golf Course (Grill Room) with breakfast starting at 7am and the meeting commencing at 8am. Our speaker will be Mr. **Paul Quinn** of Focalpoint Investor Group. **Paul** will be speaking about *A Practical Approach To Building And Maintaining A Focused Stock Portfolio*. He has over 15 years experience in the financial services industry. His comments and observations regarding how to build and maintain a portfolio of equities will be very helpful and informative to all who invest in the stock market. You will want to attend this meeting. Also just a reminder that the January meeting will be on January 24th. Mr. **Tom Kopas** of Pring Turner Capital Group will be presenting his outlook for 2007 on the economy and the markets. Looking forward to seeing everyone at these meetings.

### AVOIDING THE BUG

Researchers at the University of Arizona found that, in order, the top five germ-contaminated office spots are: phone, desktop, water fountain handle, microwave door handle, computer keyboard.

One way to stop the spread of cold and flu germs is to frequently clean your desk, telephone, computer key board, mouse and other office items.

Just like doorknobs, shopping cart handles, or shaking hands with someone, these are places where germs spread easily from one person to another.

### 50%

According to a 10 year study at the University of Western Ontario, that's how much you can cut your risk for diabetes and heart disease with exercise, even if you don't start until you are 55. All it takes is 30 to 45 minutes of walking, 3 days a week.

### COUNTING YOUR STEPS

If your goal is to walk 10,000 steps a day, the equivalent of 30 minutes of brisk exercise, here are some counting hints:

- One mile = 2,000 to 2100 steps.
- Nine holes of golf without a cart = 8000 steps.
- One city block = 200 steps.
- The average person walks about 1,200 steps in 10 minutes (not a brisk pace).
- An easy way to check the accuracy of a pedometer is to walk where you know the distance, such as on a track or around a football field.
- If you walk in a shopping mall, the mall public relations office should also be able to tell you the distance.

### MORE FIBER, MORE ENERGY?

A daily bowl of high-fiber cereal may help fight fatigue. In a two-week study of 140 adults, funded by Kellogg's, researchers in Wales found that those who ate a bowl of fiber-rich cereal (5 or 10 fiber grams per serving) for breakfast reported feeling less tired than those who ate a low-fiber cereal. Previous evidence has shown that high-fiber foods are digested more slowly and may thus be less likely to cause a spike and subsequent, fatiguing crash in the blood sugar level. While this study tested only cereal, other fibrous morning foods--- such as whole-grain breads, fruit, or peanut butter---would likely confer a similar benefit.

Tres Gourmet met at **Jim Brown's** for a delightful luncheon. Salami, cheese, and some wonderful red wines prepared our palates. Caesar salad was next, followed by the main course of curried chicken. The chicken and sauce was served on a bed of rice accompanied with garnishes of apple chutney, chopped nuts, and raisins. The veggie of the day was petite peas and the dessert was a black-bottomed ice cream pie that just melted in your mouth. What a great way to start the year. ### Branch 146 has lost one of our best.

**Sir Joseph Jansen** passed on to bigger and better things on January 16.

As a gentleman and SIR, Joe was one of our true giants. He served in many capacities for The Community, His Church and SIR Branch 146.

Among his contributions;

1989 to 1996	SIR Golf Committee member
1997 to 2007	SIR Golf Committee Chairman
1994	Little SIR
1995	Big SIR
1996	Nominating Committee Chairman
2000 to 2004	City of Walnut Creek Golf Course Advisory Committee

I understand that as a member of his Presbyterian Church, Joe was the designated "hugger" after the Sunday services. At least that was the excuse he gave me when he "hugged" my wife on social occasions. It was certainly a most deserved title.

Those of you who knew Joe can reflect on his achievements for many hours. His involvement with the City of Walnut Creek as the SIR Representative for Golf has produced many, many benefits for our group, as well as the other SIR Chapters in Area 2.

Joe was a super conversationalist and could debate for hours. (Not only because he was good at it but mostly because he enjoyed it.) As a participant in many of those debates, I can attest that it was most always with good humor and devotion to his cause.

Joe was an active walker and golfer and a great neighbor as well as a great friend.

We have been most fortunate as an organization to have quality people to lead us in our activities. None was better than SIR

**Joseph Jansen.**  
**GODSPEED, SIR JOE!**
