

Big Sir's Notes Stu Somerville

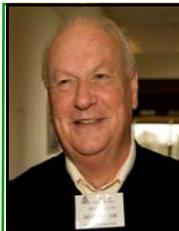

Congratulations to our 2010 officers and directors elected at our August luncheon. Our branch is fortunate to have such a great pool of members who are so willing to lead. The same praise goes to our committee chairmen who spend many hours supporting our activities.

I recently attended the annual Meeting of the Corporation (State Sir). Attending were the current State Officers, Committee Chairman and branch Big Sirs. We elected the 2010 Officers. Our new State President will be **Floyd (Buck) Kendrick** who is a member of the Palo Alto Branch 35 and is the current State Vice President. He has served his branch as Membership Chairman, Little Sir and Big Sir. He was the Area 16 Governor for three years, Region 5 Director for two years and Chairman of the State Growth and Membership Committee for three years.

State SIR Finances are in good order. The State Financial Report and Budget are available on the web for those of you who are interested.

A major focus of discussion at the meeting was branch health and recruitment. Many new ideas and tools were presented to assist branches. I encourage all members to regularly review "SIR Happenings" available quarterly on the state web site.

The new activity survey presented at our August luncheon has already produced results! Our new activity Chairman, **Terry Marchione**, is helping form a couple's golf group.

Little Sir's Corner Dennis Hallett

"Our September speaker will be **Jerry Feitelberg**, a former pharmacist for the Oakland A's. His topic is "Baseball and Steroids".

Regards Dennis

Area 2 \$ums In Retirement Dave Munson

Interested in volunteering? The end of 2009 will be my 3rd year arranging the Area 2 \$ums In Retirement Investment Group meetings. As they say, change is the constant in life so I am seeking someone to take over the Chairmanship starting in January 2010.

I thought retirement meant a slow down in one's life but, before too long "stuff" comes along and before you know it you are busier than anticipated. So now I am attempting to slow down so I do not run the risk of spreading myself to thin. Besides, 3 years is time enough.

For someone interested, or for that matter, any 2 or 3 individuals jointly who would like to take on the Chairman role please let me know at your earliest. I have lots of information to make the job easy, including potential speakers into early 2010. I will be available to assist in 2010, so whoever would like to take over will not be left hanging.

I look forward to hearing from everyone.
Dave Munson, Chairman, Area 2 \$ums In Retirement Investment Group

Duplicate Bridge George Zunich

Our match is held each month on the Monday after the SIR Luncheon at various homes. Bring your lunch.

In August, Sir George Zunich hosted 3 tables of Duplicate Bridge at his home.

In a close match, the results were as follows: **Rich Ahlf** was in 1st Place with 31.0 points. **Jim Jackson** was in 2nd Place with 28.0 points. **Jim Brown** and **Carl Johnson** were in a tie for 3rd place with 27.0 points.

The next match will be held on Monday, September 14th at the home of **Lynn Freeman**.

Contact **George Zunich** @ 376-4439 for information. We welcome interested members.

Party Bridge Fred Bolton

1st Monday at 10 am at various members' homes. Contact Fred Bolton for details. Bring a lunch.

We played three tables of bridge at the home of **Dick DeVoe** on Aug 3rd. First place went to **Jim Jackson** with 5700 points. Second place to **Harry Dillon** with 4800 points and third to **Bill Rees**. Our next game will be played on Sept 31 (due to the upcoming holiday) at the home of **Jim Jackson**.

Couples Duplicate Bridge Lo McCarley

Meet the 3rd Wednesday of each month starting at 7:00 pm at participants' homes. Couples play as partners.

COUPLES DUPLICATE BRIDGE TOO

Very strange things were happening at the August Couples Duplicate Bridge Too event, hosted by Ken and Elaine Richter. It began with two bridge boards being played twice by two couples- each couple played the East/West hands one time and later the North/South hands! Hmmm. The good news is that they played the hands well. The bad news (at least for them): the scores were judged inadmissible.

But strangeness didn't stop there. One couple made two extra tricks over a doubled, redoubled, vulnerable game bid and got over 1400 points, strange, because it had never happened before. And then- strangely enough- a random check of individual score totals early the next morning found scoring errors.

Fortunately the worksheets hadn't yet made it to the shredding machine, so it all ended well. Whew!

What wasn't strange was that **Terry** and **Sharon Marchione** won, and that 2nd place went to substitutes **Margot** (with a "t") and **Stu** (without the "d") Somerville. Nor was it strange that **Ken** and **Elaine** took the coveted 3rd place spot. But it was certainly strange that the devotees of the "Bridge for Dummies" book actually moved up a couple of notches from last place.

Maybe all this strangeness was the effect of the annual Persied meteor shower that night. Or perhaps it was the erroneous climate change projection for Walnut Creek that day. OR--- could it be something much more mysterious??? September's meeting is now less than a month away. Yikes!

See the flier that was available at the last SIR luncheon for details or contact Sir **Joe Barry** or Sir **Bill Hansen** for details. Wives and guests are welcome. This will probably be a sellout, so get your checks in early.

Our September 3rd meeting, the monsters are coming. **Dave Anderson** will be our speaker and his topic is worms. He has a business of raising and selling worms. Check out his web site Monsterworms.com. Also in September Garden Club member. Sir **Steve Dawkins**, will be on TV, September 20th (Sunday) at 7:30a, HGTV – Channel 67 – on one of his favorite topics, MUMS.

Garden tip of the month: If you have camellias, azaleas, gardenias, hydrangeas – they prefer acidic soil. The majority of the soil in Contra Costa County is alkaline. One easy way to remedy this is annually take a cup of white vinegar in a five gallon bucket of water and water around the drip line of the plant.

Bowling

Larry Mitchell

The SIR summer league will be completed soon and we will then start the regular winter league. Now would be an excellent time to join us as teams are now forming and new bowlers are always welcome. Every year I make this plea for new bowlers and have not been successful. The winter league will start on September 2, with a meeting to be held at Diablo Bowl at 9:00 AM. Bowling will follow the meeting.

When we had a pro bowler as speaker recently, and he asked the question, "how many of you have bowled before" I saw a forest of hands, so I know you are out there. So come join in the fun with your fellow Sir.

There will be two tournaments in September. The first is at **Earl Anthony's Bowl** in Dublin. This will be held on the 14th and 17th and will be a mixed doubles and singles event. The second will be held at the **Cloverleaf Bowl** in Fremont on the 27th and the 28th. It will also be a mixed doubles and singles event. For more information or entry forms call me. (925 798-5440)

Cooking

Dave Johnson

1st Monday at various members' homes.

The Cooking Group did not meet officially, in August, but only to plot and scheme and to dine commercially at Fuddrucker's. Our next meeting will be on September 14, at **Spellman's** to bottle wine. Should be the usual raucous and messy affair. Dates will add the necessary element of dignity to the event.

Poker Club #1

Frank McNamee

Poker Club #1 met at the residence of **Howard Harvey** on August 12th and five of our members got an expensive lesson from **John Lewis** and **Bob White** on the finer points of winning poker as they both were equally big winners for the day. It was good to have our old friend **Don Martin** back with us to add his contribution to the two winners.

We will meet on Sept 9th at the home of **John Lewis** and maybe he will be more merciful as a host.

Frank

Poker Club #4

Chuck Bobinecz

Our next poker session will be at the home of SIR **Chuck Bobinecz** on Monday August 24th. A discussion our group gets into is what constitutes a low hand in low ball. What I found out is that in the U.S. we play what is called RAZZ, which the best low ball hand is 5-4-3-2-A and straights and flushes do not count. In Europe they play what is called London Lowball where straights and flushes do count and the best low hand is 6-4-3-2-A

Al

Poker Club #2

Al Zamolo

Charlie Kiser hosted our July session and **Ron Binder** had the biggest winnings ever in our group. There were many very good hands but were always second to **Ron's**. Most of us contributed to **Ron's** winnings, but we will get it back on August 31st. at **Ken Kratz's** home.

Frank Comprelli will show us how to Create an Ancestor Book, subtitled 'A Multi-Generation Photographic History'. Finally, we expect to learn from the ever popular Q&A session lead by **Dick Curry**, supported by other gurus. Suggestions for future presentations are always welcome.

Lunch and Wine Group (LAW Group) Dick Woodman

The LAW Group is a cooking group that meets on the 3rd Wednesday of each month in one of the member's home, the chef of the month. Needless to say, we each bring a bottle of wine to share, thus living up to our name. Our wives generally meet for a lunch out on that day, so a good time is had by all. The LAW Group has lunch in member's homes 8 months a year, two months we go out to dinner with our spouses and we take November and December off for the holidays.

The August gathering of the Lunch and Wine Group (LAW Group) at **Joe Barry's** was a great success. **Joe** prepared a very healthy shrimp and veggie pasta with olive oil and it was delicious along with a tomato and cucumber salad that was great. The company, wine, and lunch were outstanding. **Steve Dawson** joined us as **Paul Dubow** and **Jim Meehan** were in Tahoe.

The September luncheon will be at the home of **Vince Rettew**.

Explore and Dine

John Pearl

In July we had a tour of the newly-opened Catholic Cathedral in downtown Oakland, The Cathedral of Christ the Light. This building replaces the cathedral damaged in the Loma Prieta earthquake. Proper restoration of the former cathedral was deemed to be impractical and too expensive.

Our tour was lead by a docent who is a SIR in San Ramon. This is a very striking structure designed by a local firm, encompassing the latest in earthquake-resistant design, and uses air drawn in and "stored" at night to cool the building during the day. The perimeter of the main sanctuary has several small chapels.

We dined at the nearby Terrace Room in the Lake Merritt Hotel, overlooking the lake. Formerly a hotel, but now a retirement community. This hotel was **Jim Todhunter's** temporary home when he moved here from the east to take a new position as he waited for his family to arrive.

On August 27, we will be going the Palace Hotel for a tour and lunch in the famed Garden Court. The lunch will be \$19.09, in honor of the hotel's 100 years of being open after rebuilding following the 1906 earthquake and fire.

Our outing on September 24 is now planned for the Pardee House and Estate in Oakland.
